## IT Recycling

Total environmental recycling solutions for redundant IT equipment.

### About us:

Worcestershire Lifestyles is an independent charity which operates **LIFETECH RECYCLING** as a social enterprise, providing volunteering and work based training opportunities for disabled adults. We aim to provide a fully comprehensive licensed IT recycling solution to statutory authorities, businesses and the public at our fully accessible premises in Checketts Lane. Our objective is to reuse as much recoverable material as possible in the production of second user computers and laptops, the remaining components being environmentally recycled.
